Tito, other than the press release and Fact Sheet, the other communications documents were for internal use only and not intended to be posted. The Fact Sheet was I think posted on the web site but not sure about the press release.

I can send what I have to you. That will include the Qs/As.

Thanks, den.

When you have an opportunity, can you forward me the final version of the Q's and A's ?

If not mistaken, all of the other communications (final versions) documents are posted on epaosc.net, correct ?

Thanks,
